

Camp Explore: Health Care Professions

**Have a little summer fun and explore
careers in health care!**

- **Fun, educational and camp sessions for kids ages 11-14**
- Interactive sessions with various health care professionals – from nurses and doctors – to child safety experts and trauma specialists
- Health care participants will discuss their education, careers and specific roles in health care
- Camp will include afternoon field trips that support learning about science, Richmond's history and its connection to health care.

*There is a fee of \$100 for camp. Limited scholarships are available.
Lunch is provided.
