Recruiting Participants for the Survey Study

Virginia Commonwealth University researchers and collaborators are interested in knowing your opinions about the adolescent vaccines including the HPV vaccine.

Are you a Parent or Primary Guardian of a 9-17-year-old child?

Do you live in Brunswick, Dinwiddie, or Greensville County in Virginia?

If you answered "YES" to both questions, you may be eligible to participate!

We invite you to take part in a short 10-15-minute survey to share your thoughts.

Eligible participants will receive a gift card after completing the survey.

To learn more about this study and how to participate,

Email us at hpvstudy@vcu.edu or
call research team member, Teya J. Whitehead at (434)532-8190

OR

You can participate in the survey directly by scanning the QR code shown here

This research is led by VCU Massey Cancer Center
Researcher Dr. Shillpa Naavaal. 1101 E. Leigh Street,
Perkinson building, Suite 3000, Richmond, VA, 23298
